

COMPUSA DIGITAL LIVING

CompUSA Digital Living and Priest Development are proud to present the following Promenade Square technology options:

iCEBOX Flip Screen w/Cabinet*

\$2929

The iCEBOX flip screen is the perfect all-in-one entertainment center for the kitchen, features include: TV, internet, DVD/CD, FM radio, home video monitoring, touch screen, remote and keyboard.

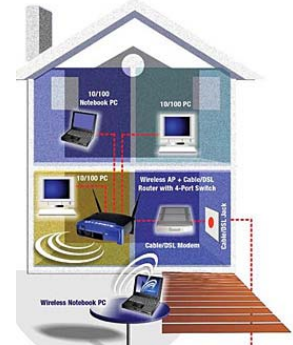

Plasma Display*

\$2950

Your new smart home would not be complete without a Viewsonic HDTV plasma display, Pioneer and Sony models are also available.

Home Networking

Have CompUSA take the "work" out of networking and install your new home network. We will connect 2 PC's, 1 printer, network router and a broadband modem. (All parts and cabling sold separately.)

\$250

Home Security*

Let CompUSA secure your new home by adding an outdoor black and white camera which can be accessed from any TV in your home.

\$479

Please call Ted Smykal at 858-573-1035 for complete details.

***Deadline for including technology options into the cost of your home is 10/24/03.**
